The Forum Program

The Forum presentation is titled “Successful Living in a Gorilla World. In this powerful talk, you will learn how to **REGAIN CONTROL OF YOUR CAREER AND PERSONAL LIFE**. The days of reducing stress in our lives are over! NOW is the time to learn how to become mentally tough in order to successfully conquer the serious challenges facing us in the twenty first century.

The Dinner Program

The dinner program is entitled “Achieving the Impossible.” This presentation is an enlightening and entertaining insight into a 4-step method that can produce dramatic results in people's lives. If adhered to, the technique can alter a person's belief system so that they can accomplish those items previously thought to be impossible.

YOU WILL LEARN:

- The one quality exhibited by all by all successful people and what we can do to attain it.
- A simple three-word formula used to produce belief in oneself.
- The power of "GOYA."
- How to give 100% all of the time.

The two biggest reasons why people fail to achieve their dreams and how to avoid them. You will leave this session refreshed and energized - ready to take on the world - and with a working knowledge on how to do it! When motivation is prescribed, this prescription is the cure.

Speaker Background

Bruce Boguski is an author, motivational speaker, columnist, and media personality who is well known for his ability to inspire others to “do the impossible.” Bruce holds a B.S. degree in business and education from Bowling Green State University. He also possesses a Level Two Certification in Brain Based Learning Strategies. Bruce knows first hand the attitude and skills required to overcome physical and mental challenges. At age 18, Bruce was partially paralyzed in an automobile accident. Although doctors warned that he might never walk again, he left the hospital a few months later under his own power. After a two-year struggle to regain full use of his body, Bruce went on to become a two-time state champion in Racquetball and played on a state championship softball team. He later served as head baseball coach and assistant football coach at Van Buren High School and the men and women’s tennis coach at The University of Findlay.

NAPM-C DINNER RESERVATIONS

We would like to take this opportunity to remind our members that the NAPM is a Non-Profit Organization that provides the tools to improve your opportunities in education and networking for yourself and fellow NAPM-Cincinnati members.

The Dinner Reservations that are made by our members provide us with an exact count of members who confirm they will attend the next dinner. Our Programs Director calls that count in to the dinner location so they will know how much food to prepare. Once this call is made, the NAPM is now committed to the cost of the dinners based on our reservation response.

In December, we had a large reservation response to the O’Gara-Hess Plant Tour and Dinner at the Marriott. We made arrangements at the Marriott because it was convenient to the Plant location. These dinners had a cost in excess of the \$22.00 that we charged our members. The board agreed to absorb the extra amount to minimize the impact to our members. Unfortunately, we ended up with several members who attended the Plant Tour, but did not show up for the dinner so we incurred significantly higher than expected costs for this meeting.

We are asking that if you make a reservation with us for our Dinner Meeting, please plan to attend. To cancel dinner reservations, you must call (513) 752-6440 or email jwenderf@stelizabeth.com no later than the close of business on the Friday prior to the Tuesday dinner. If you send an email to reserve or cancel, please save your confirmation. If you do not get a confirmation, please call John to confirm.

Beginning in March, we will reserve the right to charge \$25.00 for all reservations made but not kept.

Gregory DeSimone, C.P.M.
President
