## PLANT TOUR

### Ohio Valley Goodwill

10600 Springfield Pike

We have been invited by Charlie Wright of Wright Brothers, and Chairman of the Ohio Vally Goodwill to take a tour of their main center. Their Woodlawn center is a major sorting center for donations, but it also is the location for automobile auctions, light manufacturing, scanning, and has facilities for vocational training and rehabilitation.

Goodwill' can help your company with tasks like fulfillment, pick and pack, scanning, and other jobs.

Maybe it is a long term assignment that is repetitive, or maybe it is some other job that can be done by the workers in the rehabilitation center. Come have a box lunch and find out what Goodwill might be able to do for you!

I want to shop    I'd like to give    tell me about work    I want to learn    tell me about services

### Lunch Cost: \$ 25.00

Reservations will be taken by CVent, check your e-mail for the invitation. If you do not receive it please check your spam filter before calling. If there is an issue call Ken Wilson at 513-385-4144 or e-mail [marketeria@aol.com](mailto:marketeria@aol.com).
